

Welcome to the San Francisco Eagle Bootblack Contest!

This document is designed to introduce you to the contest and provide the information you need to prepare to compete, and potentially represent the title of SF Eagle Bootblack 2025.

The SF Eagle Contest Committee exists to produce, promote, and provide a support network to contestants and titleholders of the San Francisco Eagle Bar. Our philosophy is that contests exist to serve San Francisco and the greater LGBTQ+ community, to provide opportunities for individual growth for people of all backgrounds, and to recognize the contributions of people in our communities who have dedicated themselves to service.

Whether you're taking your first step into public service to the leather community, or you're capping off a long career of community engagement there is room for you here in the SF Eagle Family.

Eligibility

Any individual regardless of gender identity, sexual orientation, age*, race, and/or national origin, who meets the following qualifications is eligible to compete for the title of SF Eagle Bootblack.

- *Due to the nature of a title representing a bar, Contestants must be over the age of 21
- Must be a resident of one of the nine San Francisco Bay Area counties: Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano, or Sonoma.
- Must not currently hold any leather, ducal, imperial, or other contest title.

Qualifications

The winner of the SF Eagle Bootblack title should demonstrate exceptional knowledge of bootblacking techniques, social/cultural awareness and sensitivity, and a history and/or desire for community service.

Diversity & Accessibility Statement

The SF Eagle Contest **Committee** is committed to engaging in practices and procedures that encourage participation and maintain space for all individuals reflecting the breadth and depth of our SF Eagle community. The SF Eagle Bootblack contest is accessible to all applicants regardless of gender identity/expression. If you will need additional assistance to participate in the contest (including but not limited to ASL interpreter, physical assistance for the visually impaired, and wheelchair accommodations), please make a note in the "Additional Comments" portion of the application or email the Contest Committee directly at contests@thesfeagle.com. We will continuously examine our processes to ensure accessibility, and gladly accept feedback from all participants in order to ensure that all contests reflect the community we serve.

Contest Criteria

Education: Contestants will submit a 2-3 minute video (3 minute maximum). The video is due March 1st and will be posted to social media prior to the contest. The topic of the video is up to the contestant, but the subject matter should be educational and address a topic relevant to the LGBTQ+ Leather community. This can include: leather care/maintenance, leather history, social justice, kink, kink safety, etc. If you're concerned about the content of your video feel free to run

the subject past a producer. For production quality, think about a typical TikTok video. You do not need significant effects. Attire for this category should be reflective of the subject matter.

This category is scored by the judges and is worth 50 points.

Interview: Contestants will participate in interviews in two formats. The first is a “Round Robin” style interview. Contestants will have 3 minutes individually with each judge before moving on to the next judge. The second is a 10 minute group interview with individual contestants and the full panel of judges. When the panel interviews have concluded, the judges will have the option to call any or all contestants back into the interview space for follow up questions. Judges may ask any questions including, but not limited to, contestants personal experience, community involvement, social justice etc. Judges are asked to not ask trivia questions, but they are not prohibited to ask them. Attire for this category should be professional and indicative of the kind of titleholder you intend to be.

This category is scored by the judges and is worth 100 points

Stand Time: Contestants will participate in a total of 5 hours of Stand Time spread across two days, 2 hours Friday night and 3 hours Saturday afternoon/evening. They will be observed by judges and their clients will provide feedback. However, the final score will be determined by the judging panel. Clients will not participate in the scoring process. Clients will be encouraged to tip their Bootblack contestants and 100% of those tips will be kept by the contestant regardless of placement at the conclusion of the contest. Attire for this category should be comfortable and appropriate to the work.

This category is scored by the judges and is worth 200 points.

Speech: Contestants will have the opportunity to address the audience of the SF Eagle with a two-minute speech on a topic of their choosing. Points will not be deducted if the two minute limit is exceeded, but the judges may take it into consideration with their scoring. Attire for this category is professional or formal.

This category is judged and is worth 50 points.

Tech Boot: Contestants will be given a boot that has been worn to a significant degree. Contestants will have thirty minutes to restore their boot to the best of their abilities. Judges will observe and possibly ask questions. After the thirty minutes has elapsed, judges will evaluate the final product. Attire for this category should be casual.

This category is judged and worth 50 points.

Scoring will be tabulated utilizing both Olympic and non-Olympic methods. In the event of discrepancies between the two, the Olympic scoring will be the deciding score. No points will be deducted by the committee for any reason.

Judging

Judges are instructed to be fair and impartial. Prior to the contest, judges will be charged by the production committee to find a titleholder that will best represent the SF Eagle Bar throughout the title year. Judges are also instructed that, for the term of the contest, they are not to engage in any significant emotional or sexual relationship with any contestant. Judges must disclose any previous relationship or status that may impact the judges impartiality prior to the interview portion of the contest. This disclosure will not disqualify the judge from further participation.

Contestants are encouraged to engage with judges casually and outside of judged categories and contest events. Please consider the judges' individual preferences when communicating with them.

Entitlements of Titleholders

The winner of the SF Eagle Bootblack title receives the title patch, title vest, the right to utilize the identity of "SF Eagle Bootblack 2025" in perpetuity*, and any advertised sponsorship prizes.

The titleholder will have the right to collaborate with SF Eagle staff independent from contest committee members. Titleholders will have the right to fundraise to support their title-related endeavors. Titleholders will have the right to represent the SF Eagle as a dignitary at contests and community events outside of the SF Eagle. Titleholder will also retain the right to participate in the planning of their step down contest as well as serve as judge.

*Title may be removed only for cause, which is expanded below.

Expectations of Titleholders

The winner of the contest will be expected to complete the full title year. Otherwise, they are expected to formally step down from the title in writing. If the titleholder steps down, they forfeit the right to use the title and must return any prize winnings including the title vest and any travel funds used.

Titleholders will be expected to host at least one Beer Bust benefitting a non-profit of their choosing. The bar may provide additional opportunities to the titleholder, but they are under no obligation to accept. Titleholders may host as many fundraisers for community organizations as they wish. Titleholders may not host major fundraisers to support title holding expenses (travel funds, etc) until after they have completed their community fundraiser. Any funds raised by the titleholder for travel will be held in trust by the SF Eagle Bar. Any funds not used by the end of the title year, will be rolled into a general fund to support future contests and titleholders. It is expected that titleholders balance what they take from the community with giving back to the community.

Titleholders are expected to not engage in behavior *at the SF Eagle* that may put the bar at liability. This includes, but is not limited to: using drugs, consuming alcohol not purchased at the bar, engaging in *public* sexual conduct, or knowingly allowing an underage individual to patronize the bar. These are fair grounds for removal of the title. Titleholders are expected to

represent the SF Eagle throughout their year with dignity and respect. If you have concerns, please reach out to a committee member.

Titleholders may, if they so choose, represent the SF Eagle title at one regional, national, or international contest. The SF Eagle will support as much as possible, but the majority of the cost will be borne by the titleholder. Communicate with a committee member as soon as possible in order to get as much support as possible.

It is expected that titleholders maintain good professional relationships with SF Eagle ownership, staff, volunteers, committee, and community members throughout their title year.

Titleholders are expected to maintain communication with the committee and have an active social media presence.

Submission of an application includes acknowledgement and acceptance of these expectations and conditions. This represents a binding agreement.

Should the titleholder fail to adhere to expectations, the title will not be removed from the titleholder without significant, documented cause(s). Removal of a title is a significant act and will not be undertaken without communication with the titleholder. A meeting will be held with the titleholder prior to action and action will only be undertaken with a majority vote of committee and SF Eagle ownership. Removal from the title will be acknowledged publicly, which may include details relating to cause.
